

Cremation Service Options

The following list of options have been arranged to assist you in your decision process. You are in no way obligated to select a particular package. The packages can be altered to best suit your needs. This list represents a portion of what we have to offer. As the options increase, all the items and services listed in the previous option are included (*unless otherwise noted). These prices are effective April 8, 2008 and are subject to change without notice. **Coston Funeral Home, Inc. is committed to providing Personalized Premier Family Care.**
